

Central Iowa's Most Unique Escape Destination

Lake Panorama National Golf Course offers one of the best-conditioned courses in the state of Iowa. In 2008, a double row irrigation system was installed making even better course conditions for players of all skill levels. Golf Digest gives the magnificent golf course a 4-Star Rating on its Places to Play in America and it continues to host numerous Iowa Section PGA and Iowa Golf Association golf tournaments. The golf course is truly a "must play" course in Iowa.

Lake Panorama National Golf Course is now host of the Brokers International Ltd. Iowa Open Championship. The championship will be held at the golf course from 2010 to 2014 in August. The Iowa Open is the premier professional and amateur tournament in Iowa and the staff at Lake Panorama is looking forward to hosting this tournament. The Iowa Open is put on by the Iowa Section PGA.

The par 72 course, designed in 1971 by Richard Watson, offers 18 holes with a variety of yardages. The rough is cut to a height of 2 ½ inches and comes into play a great deal but is fair and easy to recover from. The front 9 has grown trees that line the fairways, the back 9 has large old trees scattered throughout the valleys. The greens on the front side are medium in size and gently rolling, coming back in the greens are large, tiered, and rolling.

Each participant will receive an IVMA cinch sack backpack with a divot repair tool, a detachable ball marker and sponsor participation prizes. Over 50% of participants will receive a prize!

The IVMA will sponsor a Beat the Pro on the College of Veterinary Medicine sponsored par 3 at hole 3. Proceeds from the Beat the Pro challenge will go to the College of Veterinary Medicine.

Bring your spouse/significant other and stay in the Panorama National Resort for a two-day get-away. Resort guests have access to the outside swimming pool, tennis courts, fitness room, driving range and private beaches on Lake Panorama. The surrounding area provides many recreational activities with bike trails and state parks along with major shopping centers only 45 minutes from the Resort.
